# Introduction

This document gives you an overview of published [Video Tutorials](#) on [my.trimit.com](https://my.trimit.com).

All these videos have been published on **YouTube** – you simply need to know the link.

**The audience for this document are Customers, Employees of TRIMIT Partners and Employees of the TRIMIT Group itself.**

The functionality shown in the Videos can be based on the latest release of TRIMIT, but also on older releases.

So, be aware that functionality you see might not be based on the latest release; new functionality might have been added after publishing the Video.

# Townhalls

## [Townhall about TRIMIT 26.1](#)

In this Townhall an overview of new functionality in TRIMIT 26.1 and upcoming changes in TRIMIT e-commerce.

### ➔ What is new in TRIMIT e-commerce

- New look and feel in TRIMIT Web Supplier (Supplier Portal)
- New Search Feature
- New Menu Setup (drill-down or megamenu)
- New Order flow to approve performance
- Order Lines Overview page

- Based on TRIMIT 25.1
- Introduction
- Sales & Receivables Setup
- Provision Sales
- Salesperson
- Commission Rates per Salesperson
- (Posting) Sales Document
- General Posting Setup
- Commission Settlement

## TRIMIT Production Order Basics Video

- Based on TRIMIT 25.1
- Introduction
- Production Order Header/ Lines
- Configuration on Production Order
- Related production Order (M-T-O)
- Multi-Levels: CODP
- Phantom Item

## TRIMIT Extended Sales Statistics Video

- Based on TRIMIT 25.1
- How to create an Extended Sales Statistics Setup
- How to use Filters for the Data Series
- Which types of Output can you use for a Setup
- How to use Sales Analytics based on Statistics Data Warehouse

## TRIMIT Bill of Materials Video

- Based on TRIMIT 24.2
- Design BOM
- Production BOM
- BOM Types in TRIMIT
- BOM Component Lines
- BOM Configuration Rules

## TRIMIT Item Charges Video

- Based on TRIMIT 24.2
- Comparison TRIMIT Item Charges vs BC Charge (Item)
- How to set up TRIMIT Item Charges
- How to set up Provision Purchase
- How to connect Item Charges
- Process for Purchase

## TRIMIT Data and Test App Video

- Based on TRIMIT 24.2
- Where to find it
- Requirements
- Creating Data
- Data content

## TRIMIT Collections Video

- Based on TRIMIT 24.2
- What is a Collection
- How to set up a Collection
- How to set up Collection/Periods
- How to use the Order Type
- How to influence Sales-/Purchase Prices based on Collections
- Impact on entering Sales-/Purchase Documents

## TRIMIT Formulas Video

- Based on TRIMIT 24.1
- Global Variables
- Formula Structure
- Actions in Formula
- Examples
